Registered in Scotland SC760936

- There is no business or material financial interest in a price comparison website.
- Joe Dawsons Funeral Home is proud to support local organisations and charities throughout the year, details of which are available upon request. There has been no material form of payment to a third party relating to the funeral sector in the last 12 months.
- Our non-attended burial and cremation option must be paid in full, prior to booking of the funeral.
- We require no upfront payment prior to an attended funeral. An itemised invoice for all services provided by us, and by third parties on behalf of the family, as agreed on the estimate issued at the time of arrangement, will be issued approximately 7 days after the date of the funeral, which is then required to be paid in full within 28 days.
- If a balance remains un-paid 7 days past the due date, we may charge you interest at a rate – 4% above our bank's base rate, calculated daily, from the date of our account until payment, this will be compounded on the first day of each month. We may recover the cost of taking any action over unpaid invoices.
